The pricing below is offered to assist funeral directors in providing an estimate to clients. A site inspection is required before a formal quotation can be provided.

For the most accurate and current pricing, please visit [our website](#). Avoid downloading this document as prices are subject to change.

Final pricing will depend on the specifics of each gravesite and the work required, including but not limited to; site accessibility, the condition of the monument and surrounding gravesites.

R&R Gravedigging are committed to safe work practices and responsible for meeting unique requirements in each cemetery.

For a quote, please contact us to schedule a site inspection.
